AN AUCTION OF:
BANKNOTES

1–2 MARCH 2023 AT 10 AM EACH DAY

Welcome, ladies and gentlemen, to the first Noonans banknote auction of 2023. It feels like it is going to be an exceptionally busy year, with four auctions planned as usual, as well as two Singapore sales (more on that below). In addition, we will be attending many more global shows, and really hope to see as many of you as possible over the course of the next twelve months.

This auction includes the Bruce Smart Collections of India, and also of Britain and Ireland. Bruce, always a man of his word, promised Thomasina and myself his India notes for auction many years ago and the time has finally arrived. In true fashion, the collection is not large, but the quality is exceptional, and we are certain it will attract bidding to match. As many of you know, I love the Portuguese India series, and the 4 and 8 Tanga notes in the collection are simply spectacular (lots 795 and 796), and you can see the wonderful Cawnpore 2 Rupees 8 Annas on the rear cover of the catalogue (lot 766). The British and Irish notes are also of excellent quality, but the most brilliant items, at least for me, are the four pairs of genuine Bank of England and Operation Bernhard notes, with matching dates and even prefixes. How on earth Bruce achieved this feat is somewhat beyond me. Following Bruce's practice for his previous sales, the proceeds will be donated to an animal welfare organization, Humane Animal Partners, which was recently created by the merger of the Delaware SPCA with the Delaware Humane Association

Elsewhere in the auction we have large and wonderfully diverse group of South African material,

including the almost legendary Koffyfontein £5 - arguably the most difficult and certainly desirable Boer War note to find (lot 1032). There are only five examples in private hands, with the other four in the hands of serious long term collectors, so this example should be hotly contested. There are groups of notes from the Red Ox, once again. The Ox is still exploring Italy (there is clearly a lot to see, as he is taking his time), but has found time to take a holiday in the Caribbean, with a stop off in Gibraltar (I am reliably informed he narrowly escaped a bullring in neighbouring Spain by nipping over the border). Two individual items worth mentioning are both denominated 500. Firstly, a superb colour trial for the Persian 500 Tomans, is a sublime example of the printers art, as well as an extremely rare item (lot 850). Secondly, a Bank of England £500 note, issued in Leeds in 1936 is only the second example known to have survived (lot 266).

Finally, I must mention that Noonans will be conducting the first part of the legendary Frank Goon Reference Collection of British Malayan Banknotes, live in Singapore, on March 25th. This will be held during the Singapore International Coin Fair, and we hope to see many of you there on the day. The collection is surely the finest ever assembled for the region and the auction will be a major event in itself.

As far as this auction goes though, it remains for me to hope that you enjoy the catalogue, and to wish you the best of luck with your bids. Best of luck with your bids,

Andrew, Thomasina, Mike and Barnaby

SUMMARY OF INFORMATION FOR BUYERS

REGISTERING TO BID

New clients must register online to bid (whether in person or in absentia). This can be done via our website www.noonans.co.uk

Registrations will be subject to due diligence and Noonans reserves the right to cancel registrations.

Once registered, any client bidding for the first time online will need to enter their card details so that a security check can be performed to authorise you to bid (www.noonans.co.uk >Your Account > Account Authorisation). This check is secure, your card details are not seen by us and no funds will be deducted.

BIDDING PRIORITY

Please note that we prioritise executing commission bids as early as possible in order to secure the lot for you at the cheapest possible price. It is therefore entirely possible that a lot can sell at your top bid to another bidder. To avoid this happening we offer an optional 'Plus 1' bidding increment facility, whereby if the bidding is against you at your maximum bid the auctioneer will execute one further bid on your behalf. Please note that in the event of identical top bids priority is given to the first bid received.

PLACING BIDS

LIVE BIDDING VIA WWW.NOONANS.CO.UK

You may bid in real time from your computer or mobile device. We provide an optional live video and audio feed of the auctioneer, allowing you to participate in much the same way as attending the auction. You may see your invoice and pay online directly after you've finished bidding. **There is no additional charge for this facility.**

ADVANCE BIDDING VIA WWW.NOONANS.CO.UK

We strongly advise this method if you wish to leave bids in advance as it is the easiest, most accurate and flexible way to leave your bids and gives you total control over them right up to the point that the lot is offered for sale. Bids made online cannot be seen by others and only become live at the point the lot is being sold. Up until this time your bids can be easily altered or cancelled. An automated email is sent to confirm any changes made. **There is no additional charge for online bidding.**

ADVANCE BIDDING VIA POST, EMAIL OR TELEPHONE

Whilst we are still happy to execute all bids submitted to us using post, email or telephone, it should be noted that all bids left with us in these ways will be entered at our offices using exactly the same bidding facility to which all our clients have access. **There is, therefore, no better way of ensuring the accuracy of your advance bids than to place them yourself online.**

If you are registered with Noonans you may bid by email to bids@noonans.co.uk or by telephone to 020 7016 1700. **All bids placed by email or telephone must be received before 4 PM on the day preceding the sale.**

A bidding form is included in the back of this catalogue. If you wish to use this please fill it in carefully, to include all relevant information. Please ensure that you post this form so that it arrives, at the latest, the day before the sale.

BIDDING IN THE AUCTION ROOM

You are very welcome to attend the auction and bid in person if you are registered with Noonans.

Please note that the auction room is situated on the third floor of a Georgian building which doesn't have a lift. You may pay for and collect your lots during the auction.

SALEROOM NOTICES

Should the description of a lot need to be amended after the publication of this catalogue, the amendments will appear automatically on the Noonans website, www.noonans.co.uk. All such amendments are also incorporated in the List of Saleroom Notices pertaining to this auction which are posted separately on the website. The auctioneer will refer to any notices at the time any affected lot is offered for sale.

CATALOGUE ILLUSTRATIONS & THE INTERNET

Prospective bidders are reminded that the Noonans website features high-resolution colour illustrations of every lot in this auction. There may also be additional illustrations of any lot.

BUYERS' PREMIUM

The rate for this sale is 24% of the Hammer Price (+ VAT where applicable).

IMPORTATION VAT

Lots marked 'X' are subject to importation VAT of 5% on the Hammer Price unless re-exported outside the UK, as per Noonans Terms & Conditions of Business.

From 1 January 2021 importation VAT may be levied by EU countries on lots sold by Noonans and subsequently imported into those countries. Although Noonans is unable to advise buyers on customs regulations in their country of domicile, there is further information regarding EU importation VAT rates for collectable items in the Terms and Conditions published on the Noonans website.

MULTIPLE LOTS

All multiple lots (lots containing two or more items) with the exception of designated sets of banknotes are sold as viewed and not subject to return. Buyers are recommended to view such lots.

PRICES REALISED

The hammer prices of lots sold at Noonans auctions are posted at www.noonans.co.uk in real time and telephone enquiries are welcome from 9 AM on the day after the auction.

PAYMENT

You may access your invoice shortly after the hammer has fallen on your last lot. As we weigh lots at the time of cataloguing most shipping is already calculated, enabling you to settle your account and receive your lots in a timely fashion. Auction attendees may pay and collect during the course of the auction as soon as they have bid on their last lot.

THE SIR DAVID KIRCH COLLECTION OF SKIT NOTES

PART FOUR

178

FLEET BANK IN ENGLAND, 50 Pence, 11 May 1811, serial number 4310, signature of R. Denton, some toning and small stains but a nice looking example, very fine and very scarce

Outing 4018d

£100-£150

Richard Denton was an engraver who appears to have produced these 'Fleet Bank' notes from his cell in Fleet Prison! When a copper printing plate was discovered in his possession he was sentenced to six more months for the offence. He claimed he was doing it to make 'a few pence for his family while confined'. This is a very passable imitation of a Bank of England note, the 'Fleet' part of the title being printed in tiny lettering, and the vignette incredibly similar to that on genuine examples. There are numerous contemporary court cases where people (innocently or otherwise) were imprisoned or even transported for uttering (paying with) these notes.

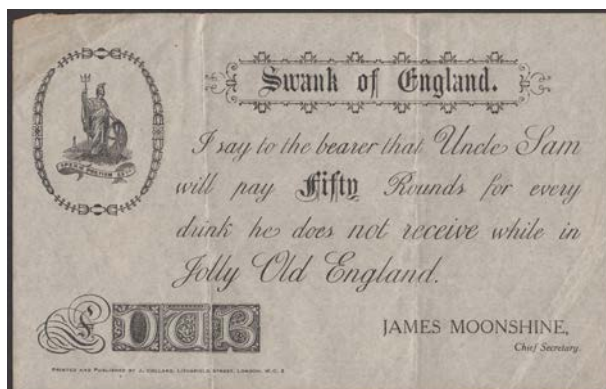

179

BANK OF NEVERPAY, joke notes for 1 Dud (2), ND (1930s), serial number IOU 1234567, in the style of a US Silver certificate, in this case a 'phoney certificate', the reverse clearly saying that the note is 'not worth the paper it is printed on', very fine and fine (2 notes)

Outing unlisted

£20-£30

The creator of these notes, E&S London, were manufacturers of Magic Sets and all kinds of practical joke equipment in the 1930s. Whether these were sold individually or as part of a set of another kind is unknown.

180

SWANK OF ENGLAND, a note without a clear origin with the text 'I say to the bearer that Uncle Sam will pay 50 Rounds for every drink he does not receive while in Jolly Old England, date unclear but likely early 20th century, signed James Moonshine, Chief Secretary, and with a vignette of Britannia and the latin motto Operae Pretium Est (there is a reward for work), extremely fine, unusual and possibly American, although printed in London

Outing unlisted

£70-£90

181

PLUCKINGTON BANK, a Liverpool joke note for 1 Penny, December 1819, serial number 2235, promising to pay Mr John Tump or Bearer on Demand, on behalf of Mud Pluckington & Co., with indeterminate manuscript signature, fine, rare and amusing

Outing unlisted

£80-£120

Pluckington Bank was a mud bank in the River Mersey, close to Princes Dock. It has long since been dredged out of existence, but was immortalised in this piece of paper.

182

BANK OF RAWCLIFFE, 5 Halfpence, 21 June 1825, serial number 84, manuscript signature of Jas Hirst, with an amusing engraving of a selection of people and animals including a horse drawn chaise, a small dog with a saddle, a man with a pig and a musket, and a man running away from another man riding an ox! very good, amusing and scarce

Outing unlisted

£70-£90

Rawcliffe Bank is a ridge in the North York Moors, meaning this note probably originates from somewhere in that area. It doesn't appear to have an overt political message and may well be just a joke. Regardless, it is one of the few skit notes that survives in any number, perhaps because of the amusing engraving.

183

HULL NEW BANK, for **PERRING, FRIZ, LATHER & CO**, a joke note for Halfpence, ND (probably late 1700s), no serial number, promising to 'pay Mr. Richd Puff or Bearer on Demand Five Halfpence at the House of Messrs Scrapewell Catgut & Minuet Bankers London or of Sr Thomas Shandy Blockshead Shave Cut & Tie Bankers, Southward', signature of Charles Snip, very good, scarce

Outing unlisted

£80-£120

**184**

BANK OF TRUE LOVE, a skit note on thin paper, denominated in Love, 14 February 184-, serial number L/O 14248 and V/E 14248, signed by Cupid, fine and scarce

Outing unlisted

£70-£90

**185**

BANK OF HYMEN, DUBLIN, a skit note in the style of a Bank of Ireland £1, denominated in Love, 14 February 186-, serial number L/O 83227 V/E, backed on paper, damage to low left, very good and rare, a worryingly good imitation of the real thing!

Outing unlisted

£150-£200

**186**

LOVERS BANKING COMPANY, a poorly printed but charming skit note, denominated in Love, 14 February 185-, serial number L/O 28769 V/E, signed by Cupid, very fine

Outing unlisted

£70-£90

**187**

A NOTE COMMEMORATING THE BATTLE OF THE NILE, titled Alexandria, promising to pay Admiral Nelson on demand Nine Ships of the Line, Frigates & Transports, for the value received in British Valour, 3 August 1798, signed Bonaparte, with a vignette of Admiral Nelson at left, very fine and rare

Outing unlisted

£150-£200

Nine ships refers to the number of French ships sunk or taken at the Battle of the Nile, one of the most complete naval victories by any nation in modern history. It was arguably a more important victory than Trafalgar, and was so decisive that it effectively sealed British dominance in the Mediterranean for several generations.

**188**

HOUSE OF CORRECTION, 'Anti-Flogging Note', 30 January 1819, serial number 222, signed by I. Flogwell, produced by George Cruikshank in a similar style to the more famous 'Anti-Hanging Note', one small hole at left, otherwise good fine and rare

Outing unlisted

£300-£400

**189**

BANK OF ELEGANCE, 10 CRESCENT CAMBRIDGE, a note promising to 'Cut and Dress any Lady's or Gentleman's Hair equal to any man in England or forfeit on Demand the Sum of Fifty Pounds', 29 April 1827, serial number 56, signature of William Donagan, reverse beautifully printed in blue, mounting traces, very fine and scarce, a beautifully printed note

Outing unlisted

£80-£120

This note includes the coats of arms of the University of Cambridge and City of Cambridge at top left, presumably signifying he would serve town or gown. William Donagan was a seller of beauty products and a hairdresser in Cambridge from at least 1824 until his death in 1846.

**191**

BANK OF ELEGANCE, THAMES STREET, KINGSTON, a note promising to 'Pay on Demand the sum of Fifty Pounds, if I do not Cut any Lady or Gentleman's Hair in the first style of fashion' 1 April 1826, serial number 120, signature of W.H. Collins, marked 'Forged' in ink, which is unsurprising given the close resemblance to a Bank of England note, good fine and scarce

Outing unlisted

£80-£120

Nothing can be found relating to a W.H. Collins in Kingston at this time.

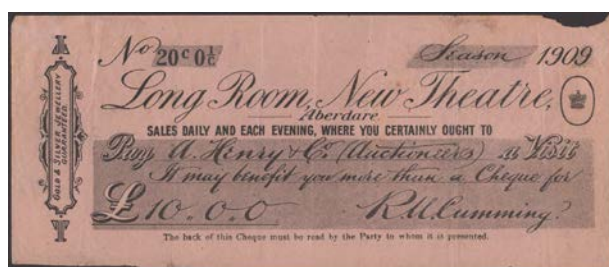

**190**

BANK OF ELEGANCE, LOUGHBORO', a note promising to 'accept the Challenge of any Man in England to Cut and Dress any Lady's or Gentleman's hair in a Superior style or forfeit on Demand the Sum of Fifty Pounds' 18 October 1834, serial number 20, signature of Pyke & Son, thinned a little at right, overall good fine, and nicely engraved

Outing unlisted

£80-£120

This is the same Mr. Pyke who appears on other skit notes in Shrewsbury, dated 1826. Other than that, little is known about him.

**192**

LONG ROOM, NEW THEATRE, ABADARE, an advertising pamphlet in the style of a cheque for £10, 1909, claiming that there are 'sales daily and each evening, where you certainly ought to pay A. Henry & Co (auctioneers) a visit. It may benefit you more than a cheque for £10', and signed 'R.U. Cumming?', good fine, unusual

Outing unlisted

£60-£80

An amusing item that is clearly, at least in part, a joke, since some additional text says 'The back of this cheque must be read by the Party to whom it is presented'. The back is of course, blank. There is no trace of either a New Theatre in Abadare or a A. Henry, so it is possible that the entire thing is a joke, or some kind of theatre prop.

193

BANK OF ENGRAVING, 9 CHARLOTTE TERRACE, NEW CUT, LAMBETH, a note dated 29 April 1831, serial number 150, promising to 'Engrave and Print in Letter Press and Copper plate, Cards, Bills, Circulars etc in the First Style of Elegance, with the greatest accuracy and dispatch or forfeit the sum of Five Pounds, with the signature of J.W.Peel, with an attractive engraving of a printer at work, *fine and scarce*

Outing unlisted

£70-£90

John Websdale Peel was born in Norwich in 1794, and became a moderately successful engraver in London by the 1830s, working from New Cut in Lambeth until at least 1851. He died in 1859. He was fined at least twice for producing notes of this nature that were too similar to Bank of England notes.

194

THOMAS CAVE & SON, a high quality advertising note, ND (c.1825), titled 'To Bankers, Merchants etc', promising to 'Engrave & Print on demand Checks, Bills or Notes for the Merchants & Bankers in the Country or in London from the sum of One Pound to One Thousand', with the address No.7 Spring Gardens, Manchester, and signed Thomas Cave & Son, some damage to right margin, *fine, but a high quality engraving, even if the vignette at centre is a little rudimentary in design*

Outing unlisted

£100-£150

Thomas Cave and sons is listed as a business at this address from 1825, calling themselves Letter Press Printers. Thomas Cave was a man of some standing, as he also appears in records as the Deputy Treasurer of Manchester Philanthropic Society.

195

CANNON COURT BANK YARMOUTH, for China, Delf, Crockery & Self, 4 Pence, ND (c.1793), promising to pay 'Mr Brittle or Bearer on Demand the Sum of Four Pence at No.25 Market Row or at the Norfolk & Suffolk Cut Glass Manufactory', hand signed by William Absolon, with vignettes bearing the motifs 'Success to Trade' and 'May Yarmouth Flourish', fine and scarce, a very early skit note

Outing unlisted

£80-£120

William Absolon was a trader specialising in china and earthenware in the late 18th century. After several years as an apprentice potman, he was made a Freeman of Yarmouth in 1784. He took over a business shortly afterwards and by 1808 he was a wealthy man, insuring his property for £1000. This skit note is undated, but other examples bear his signature and the date 1793.

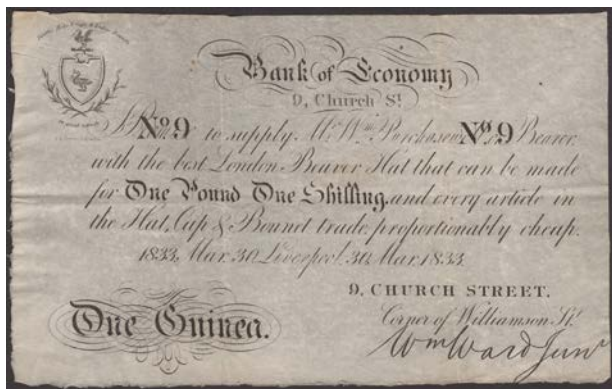

196

BEWLEY AND DRAPER LTD, DUBLIN, a leaflet in the form of a bill of exchange, advertising Drapers Dichroic Ink, promising to pay out £1000 in 500 years time, 1 January 1897, serial number 5782, extremely fine, colourful and amusing

Outing unlisted

£80-£120

Bewley and Draper were a successful company and Drapers Ink an extremely popular and long lived product. Indeed, this advert was produced several years after the death of its inventor, the original Mr Draper - Harry Napier Draper (1837-92) - a renowned Irish pharmacist of his day. He was so successful that at the time of his death (suicide, by taking cyanide) he left an estate of over £93,000.

197

BANK OF ECONOMY, 9 CHURCH STREET, LIVERPOOL, an advertising note for 1 Guinea, 30 March 1833, serial number 9, promising to 'supply Mr. Wm Purchasewell or bearer with the best London Beaver hat that can be made for one pound one shilling and every article in the Hat, Cap & Bonnet trade, proportionably cheap', signature of Wm Ward Junr, with a vignette of Liver Birds at top left, very fine and scarce

Outing unlisted

£80-£120

William Ward was one of a family of Liverpool hatters. His father and son were both in the business and indeed, he was in partnership with his son, who was based in London, when this note was produced in 1833. The partnership did not last long and was dissolved a year later.

The engraver of the note, Edgar Andrew Porteus, is notable for having had an injunction taken out against him by Guinness & Co., because he was engraving labels that were suspiciously similar to their beer bottles!

198

BANK OF ECONOMY, 146 STRAND, LONDON, an advertising note for 1 Guinea, 21 October 1833, serial number 146, promising to 'supply Mr. Wm Purchasewell or bearer with the best London Beaver hat that can be made for one pound one shilling and every article in the Hat, Cap & Bonnet trade, proportionably cheap', signature of Thomas Ward, very fine and scarce

Outing unlisted

£80-£120

Thomas Ward was one of a family of Liverpool hatters. His father and grandfather were both in the business and indeed, he was in partnership with his father, who was based in Liverpool, when this note was produced in 1833. The partnership did not last long and was dissolved a year later.

199

THE BANK OF ERIN, an advertising note **GRIFFIN WARDS**, for £1, 1 March 1801, serial number O/O 87315, promising to 'give the bearer on demand the best value in Boots & Shoes for one pound, obtained throughout Ireland', with the address 68 South Great Georges Street, Dublin, and produced in imitation of Northern Bank notes of the era, about fine and scarce

Outing unlisted

£80-£120

Griffin Wards was a Dublin shoemaker who opened in 1898.

200

TINKLER, 26 CHARING CROSS, an advertising note for the Grocers run by G. Tinkler, promising to 'pay Mr. Abm Nutmeg or Bearer on Demand the Sum of Two Pence, 10 July 1790, serial number 638, signature of G. Tinkler, ink burn, good fine and scarce, and of unusually high quality for such an early date

Outing unlisted

£100-£150

Several other notes and trade cards survive for Tinkler, who appears to have been a successful purveyor of just about everything, including Tea, Cocoa and all kinds of groceries.

201

AN ADVERTISING NOTES FOR RICHARDS, 'Perfumer, Hair Desser, and Ornamental Hair Manufacturer, No.1 London Road, near the Elephant & Castle, and at his Manufactory, Garden Row', cleverly denominated (n) One, dated 1804, serial number 1, signed Fashion, about very fine, scarce

Outing unlisted

£80-£120

203

BANK OF CHARITY, a note advertising the shows of Mr Irving Bishops (pictured in place of Britannia), 12 June 1883, serial number 12/J 07710, promising to pay the bearer £1000, 'if I am detected in any fraud or collusion', signed by an illegible signature marked as Editor of Truth, fine and rare

Outing unlisted

£80-£120

Washington Irving Bishop (1855–89) was an American theatre and stage performer. His shows consisted of 'thought reading' and other such mental tricks. He died of a fit or seizure during one of his shows, but his mother and wife both claimed that he was simply in a trance, and the autopsy was the true cause of death! This note was a flier for his London shows of 1883, where he swapped the name Washington for Wellington, for obvious reasons.

202

BANK OF HENLEY, for **BUYER, BIDDER, PUFFER, SWEETNER AND SELF**, a note advertising the auctioneer belonging to John Telford, 10 March 1792, serial number J69, promising to 'pay Mr. Auctioneer or Bearer on Demand the Sum of Three Pence, at Henley in Arden, signature of J. Telford, very good to fine, rare

Outing unlisted

£80-£120

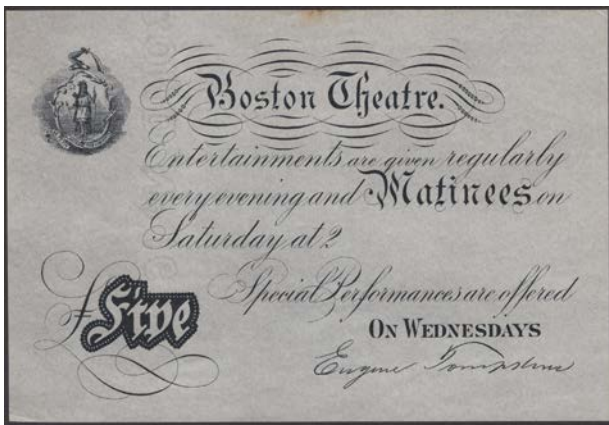

204

SELWYNS THEATRE, an American advertising note denominated £5, in the style of the Bank of England £5 note, ND (1876–70), signed John.H.Selwyn, featuring an attractive vignette of the coat of arms of Massachusetts, good fine and rare

Outing unlisted

£80-£120

Selwyns Theatre, opened and owned by the British-born actor John Selwyn, was opened in Boston in 1867. In 1870 it was renamed the Globe Theatre, giving this note a fairly precise date.

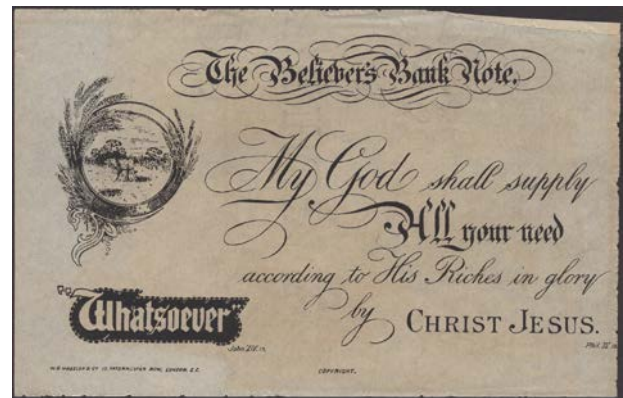

205

BOSTON THEATRE, an American advertising note denominated £5, in the style of the Bank of England £5 note, ND (probably 1884-96), signed signed Eugene Tompkins, featuring the coat of arms of Massachusetts, *good extremely fine and scarce*

Outing unlisted

£70-£90

This note is an adjusted later reprint of the previous lot, but refers to an entirely different theatre, with a different owner. Eugene Tompkins managed the Boston Theatre, along with several others in New York City, and wrote a history of it, published in 1908.

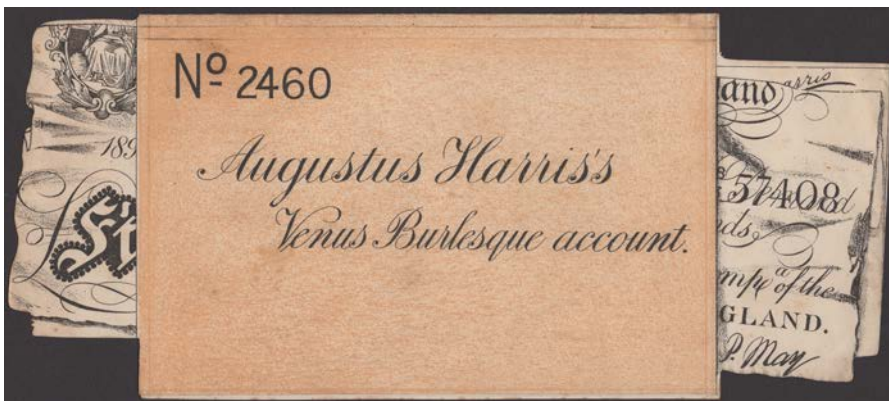

207

THE BELIEVERS BANK NOTE, a religious note denominated 'Whatsoever', ND (likely early 20th century), promising that 'my God shall supply all your need according to His riches in glory', signed by Jesus Christ, printed by W.G.Wheeler & Co, Paternoster Row, London, *toned, very fine and unusual*

Outing unlisted

£70-£90

Outing unlisted

£100-£150

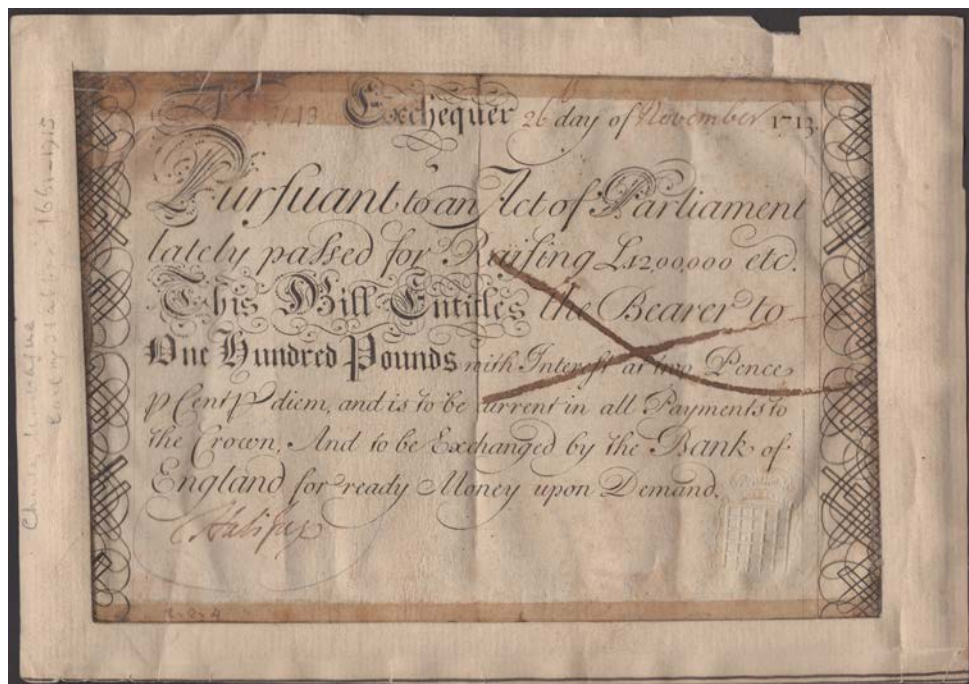

While this item advertises the Drury Lane production, the show moved around and was played at Portsmouth in 1890, Sheffield in 1891 and Henley in 1892, which was probably amongst the last performances.

YOUR BIDS MAY BE PLACED OVERLEAF

CONDITIONS MAINLY CONCERNING BUYERS

1 The buyer

The highest bidder shall be the buyer at the 'hammer price' and any dispute shall be settled at the auctioneer's absolute discretion. Every bidder shall be deemed to act as principal unless there is in force a written acknowledgement by Noonans Mayfair Ltd. ("Noonans") that he acts as agent on behalf of a named principal. Bids will be executed in the order that they are received.

2 Minimum increment

The auctioneer shall have the right to refuse any bid which does not conform to Noonans' published bidding increments which may be found at noonans.co.uk and in the bidding form included with the auction catalogue.

3 The premium

The buyer shall pay to Noonans a premium of 24% on the 'hammer price' and agrees that Noonans, when acting as agent for the seller, may also receive commission from the seller in accordance with Condition 16.

4 Value Added Tax (VAT)

The buyers' premium is subject to the current rate of Value Added Tax if the lot is delivered to or collected by the purchaser within the UK.

Lots marked 'X' are subject to importation VAT of 5% on the hammer price unless re-exported outside the UK, as per the conditions below.

Buyers who wish to hand carry their lots to export them from the UK will be charged VAT at the prevailing rate and importation VAT (where applicable) and will not be able to claim a VAT refund.

Buyers will only be able to secure a VAT free invoice and/or VAT refund if the goods are exported by Noonans or a pre-approved commercial shipper. Where the buyer instructs a pre-approved commercial shipper, proof of correct export out of the UK must be provided to Noonans by the buyer within 30 days of export and no later than 90 days from the date of the sale. Refunds are subject to a £50 administrative fee.

5. Artist's Resale Rights (Droit de Suite)

Lots marked ARR in the catalogue indicate lots that may be subject to this royalty payment. The royalty will be charged to the buyer on the 'hammer price' and is in addition to the buyers' premium. Royalties are charged on a sliding percentage scale as shown below but do not apply to lots where the hammer price is less than 1000 euros. The payment is calculated on the rate of exchange at the European Central Bank on the date of the sale.

All royalty charges are paid in full to The Design and Artists Copyright Society (DACS).

Portion of the hammer price	Royalties
From 0 to €50,000	4%
From €50,000.01 to €200,000	3%
From €200,000.01 to €350,000	1%
From €350,000.01 to €500,000	0.5%
Exceeding €500,000	0.25%

6 Payment

When a lot is sold the buyer shall:

- (a) confirm to Noonans his or her name and address and, if so requested, give proof of identity; and
- (b) pay to Noonans the 'total amount due' in pounds sterling within five working days of the end of the sale (unless credit terms have been agreed with Noonans before the auction). Please note that we will not accept cash payments in excess of £5,000 (five thousand pounds) in settlement for purchases made at any one auction.

7 Noonans may, at its absolute discretion, agree credit terms with the buyer before an auction under which the buyer will be entitled to take possession of lots purchased up to an agreed amount in value in advance of payment by a determined future date of the 'total amount due'.

8 Any payments by a buyer to Noonans may be applied by Noonans towards any sums owing from that buyer to Noonans on any account whatever, without regard to any directions of the buyer, his or her agent, whether expressed or implied.

9 Collection of purchases

The ownership of the lot(s) purchased shall not pass to the buyer until he or she has made payment in full to Noonans of the 'total amount due' in pounds sterling.

10 (a) The buyer shall at his or her own expense take away the lot(s) purchased not later than 5 working days after the day of the auction but (unless credit terms have been agreed in accordance with Condition 7) not before payment to Noonans of the 'total amount due'.

(b) The buyer shall be responsible for any removal, storage and insurance charges on any lot not taken away within 5 working days after the day of the auction.

(c) The packing and handling of purchased lots by Noonans staff is undertaken solely as a courtesy to clients and, in the case of fragile articles, will be undertaken only at Noonans' discretion. In no event will Noonans be liable for damage to glass or frames, regardless of the cause. Bulky lots or sharp implements, etc., may not be suitable for in-house shipping.

11 Buyers' responsibilities for lots purchased

The buyer will be responsible for loss or damage to lots purchased from the time of collection or the expiry of 5 working days after the day of the auction, whichever is the sooner. Neither Noonans nor its servants or agents shall thereafter be responsible for any loss or damage of any kind, whether caused by negligence or otherwise, while any lot is in its custody or under its control.

Loss and damage warranty cover at the rate of 1.5% will be applied to any lots despatched by Noonans to destinations outside the UK, unless specifically instructed otherwise by the consignee.

12 Remedies for non-payment or failure to collect purchase

If any lot is not paid for in full and taken away in accordance with Conditions 6 and 10, or if there is any other breach of either of those Conditions, Noonans as agent of the seller shall, at its absolute discretion and without prejudice to any other rights it may have, be entitled to exercise one or more of the following rights and remedies:

- (a) to proceed against the buyer for damages for breach of contract.
- (b) to rescind the sale of that or any other lots sold to the defaulting buyer at the same or any other auction.
- (c) to re-sell the lot or cause it to be re-sold by public auction or private sale and the defaulting buyer shall pay to Noonans any resulting deficiency in the 'total amount due' (after deduction of any part payment and addition of re-sale costs) and any surplus shall belong to the seller.
- (d) to remove, store and insure the lot at the expense of the defaulting buyer and, in the case of storage, either at Noonans' premises or elsewhere.
- (e) to charge interest at a rate not exceeding 2 percent per month on the 'total amount due' to the extent it remains unpaid for more than 5 working days after the day of the auction.
- (f) to retain that or any other lot sold to the same buyer at the sale or any other auction and release it only after payment of the 'total amount due'.
- (g) to reject or ignore any bids made by or on behalf of the defaulting buyer at any future auctions or obtaining a deposit before accepting any bids in future.
- (h) to apply any proceeds of sale then due or at any time thereafter becoming due to the defaulting buyer towards settlement of the 'total amount due' and to exercise a lien on any property of the defaulting buyer which is in Noonans' possession for any purpose.

13 Liability of Noonans and sellers

(a) Goods auctioned are usually of some age. All goods are sold with all faults and imperfections and errors of description. Illustrations in catalogues are for identification only. Buyers should satisfy themselves prior to the sale as to the condition of each lot and should exercise and rely on their own judgement as to whether the lot accords with its description. Subject to the obligations accepted by Noonans under this Condition, none of the seller, Noonans, its servants or agents is responsible for errors of descriptions or for the genuineness or authenticity of any lot. No warranty whatever is given by Noonans, its servants or agents, or any seller to any buyer in respect of any lot and any express or implied conditions or warranties are hereby excluded.

(b) Any lot which proves to be a 'deliberate forgery' may be returned by the buyer to Noonans within 15 days of the date of the auction in the same condition in which it was at the time of the auction, accompanied by a statement of defects, the number of the lot, and the date of the auction at which it was purchased. If Noonans is satisfied that the item is a 'deliberate forgery' and that the buyer has and is able to transfer a good and marketable title to the lot free from any third party claims, the sale will be set aside and any amount paid in respect of the lot will be refunded, provided that the buyer shall have no rights under this Condition if:

- (i) the description in the catalogue at the date of the sale was in accordance with the then generally accepted opinion of scholars and experts or fairly indicated that there was a conflict of such opinion; or
- (ii) the only method of establishing at the date of

publication of the catalogue that the lot was a 'deliberate forgery' was by means of scientific processes not generally accepted for use until after publication of the catalogue or a process which was unreasonably expensive or impractical.

(c) A buyer's claim under this Condition shall be limited to any amount paid in respect of the lot and shall not extend to any loss or damage suffered or expense incurred by him or her.

(d) The benefit of the Condition shall not be assignable and shall rest solely and exclusively in the buyer who, for the purpose of this condition, shall be and only be the person to whom the original invoice is made out by Noonans in respect of the lot sold.

CONDITIONS MAINLY CONCERNING SELLERS AND CONSIGNORS

14 Warranty of title and availability

The seller warrants to Noonans and to the buyer that he or she is the true owner of the property or is properly authorised to sell the property by the true owner and is able to transfer good and marketable title to the property free from any third party claims. The seller will indemnify Noonans, its servants and agents and the buyer against any loss or damage suffered by either in consequence of any breach on the part of the seller.

15 Reserves

The seller shall be entitled to place, prior to the first day of the auction, a reserve at or below the low estimate on any lot provided that the low estimate is more than £100. Such reserve being the minimum 'hammer price' at which that lot may be treated as sold. A reserve once placed by the seller shall not be changed without the consent of Noonans. Noonans may at their option sell at a 'hammer price' below the reserve but in any such cases the sale proceeds to which the seller is entitled shall be the same as they would have been had the sale been at the reserve. Where a reserve has been placed, only the auctioneer may bid on behalf of the seller.

16 Authority to deduct commission and expenses

The seller authorises Noonans to deduct commission at the 'stated rate' and 'expenses' from the 'hammer price' and acknowledges Noonans' right to retain the premium payable by the buyer.

17 Rescission of sale

If before Noonans remit the 'sale proceeds' to the seller, the buyer makes a claim to rescind the sale that is appropriate and Noonans is of the opinion that the claim is justified, Noonans is authorised to rescind the sale and refund to the buyer any amount paid to Noonans in respect of the lot.

18 Payment of sale proceeds

Noonans shall remit the 'sale proceeds' to the seller 35 days after the auction, but if by that date Noonans has not received the 'total amount due' from the buyer then Noonans will remit the sale proceeds within five working days after the date on which the 'total amount due' is received from the buyer. If credit terms have been agreed between Noonans and the buyer, Noonans shall remit to the seller the sale proceeds 35 days after the auction unless otherwise agreed by the seller.

19 If the buyer fails to pay to Noonans the 'total amount due' within 3 weeks after the auction, Noonans will endeavour to notify the seller and

take the seller's instructions as to the appropriate course of action and, so far as in Noonans' opinion is practicable, will assist the seller to recover the 'total amount due' from the buyer. If circumstances do not permit Noonans to take instructions from the seller, the seller authorises Noonans at the seller's expense to agree special terms for payment of the 'total amount due', to remove, store and insure the lot sold, to settle claims made by or against the buyer on such terms as Noonans shall in its absolute discretion think fit, to take such steps as are necessary to collect monies due by the buyer to the seller and if necessary to rescind the sale and refund money to the buyer if appropriate.

20 If, notwithstanding that, the buyer fails to pay to Noonans the 'total amount due' within three weeks after the auction and Noonans remits the 'sale proceeds' to the seller, the ownership of the lot shall pass to Noonans.

21 Charges for withdrawn lots

Where a seller cancels instructions for sale, Noonans reserve the right to charge a fee of 15% of Noonans' then latest middle estimate of the auction price of the property withdrawn, together with Value Added Tax thereon if the seller is resident in the UK, and 'expenses' incurred in relation to the property.

The seller gives Noonans full and absolute right to photograph and illustrate any lot placed in its hands for sale and to use such photographs and illustrations and any photographs and illustrations provided by the seller at any time at its absolute discretion (whether or not in connection with the auction).

23 Unsold lots

Where any lot fails to sell, Noonans shall notify the seller accordingly. The seller shall make arrangements either to re-offer the lot for sale or to collect the lot.

24 Noonans reserve the right to charge commission up to one-half of the 'stated rates' calculated on the 'bought-in price' and in addition 'expenses' in respect of any unsold lots.
