SUMMARY OF INFORMATION FOR BUYERS

REGISTERING TO BID

New clients must register online to bid (whether in person or in absentia). This can be done via our website www.noonans.co.uk

Registrations will be subject to due diligence and Noonans reserves the right to cancel registrations.

Once registered, any client bidding for the first time online will need to enter their card details so that a security check can be performed to authorise you to bid (www.noonans.co.uk >Your Account > Account Authorisation). This check is secure, your card details are not seen by us and no funds will be deducted.

BIDDING PRIORITY

Please note that we prioritise executing commission bids as early as possible in order to secure the lot for you at the cheapest possible price. It is therefore entirely possible that a lot can sell at your top bid to another bidder. To avoid this happening we offer an optional 'Plus 1' bidding increment facility, whereby if the bidding is against you at your maximum bid the auctioneer will execute one further bid on your behalf. Please note that in the event of identical top bids priority is given to the first bid received.

PLACING BIDS

LIVE BIDDING VIA WWW.NOONANS.CO.UK

You may bid in real time from your computer or mobile device. We provide an optional live video and audio feed of the auctioneer, allowing you to participate in much the same way as attending the auction. You may see your invoice and pay online directly after you've finished bidding. **There is no additional charge for this facility.**

ADVANCE BIDDING VIA WWW.NOONANS.CO.UK

We strongly advise this method if you wish to leave bids in advance as it is the easiest, most accurate and flexible way to leave your bids and gives you total control over them right up to the point that the lot is offered for sale. Bids made online cannot be seen by others and only become live at the point the lot is being sold. Up until this time your bids can be easily altered or cancelled. An automated email is sent to confirm any changes made. **There is no additional charge for online bidding.**

ADVANCE BIDDING VIA POST, EMAIL OR TELEPHONE

Whilst we are still happy to execute all bids submitted to us using post, email or telephone, it should be noted that all bids left with us in these ways will be entered at our offices using exactly the same bidding facility to which all our clients have access. **There is, therefore, no better way of ensuring the accuracy of your advance bids than to place them yourself online.**

If you are registered with Noonans you may bid by email to bids@noonans.co.uk or by telephone to 020 7016 1700. **All bids placed by email or telephone must be received before 4 PM on the day preceding the sale.**

A bidding form is included in the back of this catalogue. If you wish to use this please fill it in carefully, to include all relevant information. Please ensure that you post this form so that it arrives, at the latest, the day before the sale.

BIDDING IN THE AUCTION ROOM

You are very welcome to attend the auction and bid in person if you are registered with Noonans.

Please note that the auction room is situated on the third floor of a Georgian building which doesn't have a lift. You may pay for and collect your lots during the auction.

SALEROOM NOTICES

Should the description of a lot need to be amended after the publication of this catalogue, the amendments will appear automatically on the Noonans website, www.noonans.co.uk. All such amendments are also incorporated in the List of Saleroom Notices pertaining to this auction which are posted separately on the website. The auctioneer will refer to any notices at the time any affected lot is offered for sale.

CATALOGUE ILLUSTRATIONS & THE INTERNET

Prospective bidders are reminded that the Noonans website features high-resolution colour illustrations of every lot in this auction. There may also be additional illustrations of any lot.

BUYERS' PREMIUM

The rate for this sale is 24% of the Hammer Price (+ VAT where applicable).

IMPORTATION VAT

Lots marked 'X' are subject to importation VAT of 5% on the Hammer Price unless re-exported outside the UK, as per Noonans Terms & Conditions of Business.

From 1 January 2021 importation VAT may be levied by EU countries on lots sold by Noonans and subsequently imported into those countries. Although Noonans is unable to advise buyers on customs regulations in their country of domicile, there is further information regarding EU importation VAT rates for collectable items in the Terms and Conditions published on the Noonans website.

BULLION LOTS

Lots marked 'G' will have the VAT element shown on your invoice.

PRICES REALISED

The hammer prices of lots sold at Noonans auctions are posted at www.noonans.co.uk in real time and telephone enquiries are welcome from 9 AM on the day after the auction.

PAYMENT

You may access your invoice shortly after the hammer has fallen on your last lot. As we weigh lots at the time of cataloguing most shipping is already calculated, enabling you to settle your account and receive your lots in a timely fashion. Auction attendees may pay and collect during the course of the auction as soon as they have bid on their last lot.

While the reverse die is unequivocally from an official source, the obverse is a mystery. The possibility of it being a forger's die coupled with a stolen official reverse seems unlikely since the weight and apparent fineness of the coin are correct, leaving no motive for forgery. More likely is an emergency die made in haste to replace a damaged one at a time when, for some reason, production could not be halted to await the arrival of an official obverse, perhaps from Winchester, where Brihtmæær previously worked, or Oxford

CONDITIONS MAINLY CONCERNING BUYERS

1 The buyer

The highest bidder shall be the buyer at the 'hammer price' and any dispute shall be settled at the auctioneer's absolute discretion. Every bidder shall be deemed to act as principal unless there is in force a written acknowledgement by Noonans Mayfair Ltd. ("Noonans") that he acts as agent on behalf of a named principal. Bids will be executed in the order that they are received.

2 Minimum increment

The auctioneer shall have the right to refuse any bid which does not conform to Noonans' published bidding increments which may be found at noonans.co.uk and in the bidding form included with the auction catalogue.

3 The premium

The buyer shall pay to Noonans a premium of 24% on the 'hammer price' and agrees that Noonans, when acting as agent for the seller, may also receive commission from the seller in accordance with Condition 16.

4 Value Added Tax (VAT)

The buyers' premium is subject to the current rate of Value Added Tax if the lot is delivered to or collected by the purchaser within the UK.

Lots marked 'X' are subject to importation VAT of 5% on the hammer price unless re-exported outside the UK, as per the conditions below.

Buyers who wish to hand carry their lots to export them from the UK will be charged VAT at the prevailing rate and importation VAT (where applicable) and will not be able to claim a VAT refund.

Buyers will only be able to secure a VAT free invoice and/or VAT refund if the goods are exported by Noonans or a pre-approved commercial shipper. Where the buyer instructs a pre-approved commercial shipper, proof of correct export out of the UK must be provided to Noonans by the buyer within 30 days of export and no later than 90 days from the date of the sale. Refunds are subject to a £50 administrative fee.

Lots marked '††' are subject to the Standard Rate of VAT, currently 20%, on both the hammer price and buyers' premium.

VAT can only be removed from the hammer price, if goods are exported by Noonans or a pre-approved commercial shipper as per above.

All lots will be subject to VAT on the buyers' premium regardless of whether the lot is exported.

5. Artist's Resale Rights (Droit de Suite)

Lots marked ARR in the catalogue indicate lots that may be subject to this royalty payment.

The royalty will be charged to the buyer on the 'hammer price' and is in addition to the buyers' premium. Royalties are charged on a sliding percentage scale as shown below but do not apply to lots where the hammer price is less than 1000 pounds sterling. All royalty charges are paid in full to The Design and Artists Copyright Society (DACS).

Portion of the hammer price	Royalties
From 0 to £50,000	4%
From £50,000.01 to £200,000	3%
From £200,000.01 to £350,000	1%
From £350,000.01 to £500,000	0.5%
Exceeding £500,000	0.25%

VAT does not apply to the Artist's Resale Rights.

6 Payment

When a lot is sold the buyer shall:

- (a) confirm to Noonans his or her name and address and, if so requested, give proof of identity; and
- (b) pay to Noonans the 'total amount due' in pounds sterling within five working days of the end of the sale (unless credit terms have been agreed with Noonans before the auction). Please note that we will not accept cash payments in excess of £5,000 (five thousand pounds) in settlement for purchases made at any one auction.

7 Noonans may, at its absolute discretion, agree credit terms with the buyer before an auction under which the buyer will be entitled to take possession of lots purchased up to an agreed amount in value in advance of payment by a determined future date of the 'total amount due'.

8 Any payments by a buyer to Noonans may be applied by Noonans towards any sums owing from that buyer to Noonans on any account whatever, without regard to any directions of the buyer, his or her agent, whether expressed or implied.

9 Collection of purchases

The ownership of the lot(s) purchased shall not pass to the buyer until he or she has made payment in full to Noonans of the 'total amount due' in pounds sterling.

10 (a) The buyer shall at his or her own expense take away the lot(s) purchased not later than 5 working days after the day of the auction but (unless credit terms have been agreed in accordance with Condition 7) not before payment to Noonans of the 'total amount due'.

(b) The buyer shall be responsible for any removal, storage and insurance charges on any lot not taken away within 5 working days after the day of the auction.

(c) The packing and handling of purchased lots by Noonans staff is undertaken solely as a courtesy to clients and, in the case of fragile articles, will be undertaken only at Noonans' discretion. In no event will Noonans be liable for damage to glass or frames, regardless of the cause. Bulky lots or sharp implements, etc., may not be suitable for in-house shipping.

11 Buyers' responsibilities for lots purchased

The buyer will be responsible for loss or damage to lots purchased from the time of collection or the expiry of 5 working days after the day of the auction, whichever is the sooner. Neither Noonans nor its servants or agents shall thereafter be responsible for any loss or damage of any kind, whether caused by negligence or otherwise, while any lot is in its custody or under its control.

Loss and damage warranty cover at the rate of 1.5% will be applied to any lots despatched by Noonans to destinations outside the UK, unless specifically instructed otherwise by the consignee.

12 Remedies for non-payment or failure to collect purchase

If any lot is not paid for in full and taken away in accordance with Conditions 6 and 10, or if there is any other breach of either of those Conditions, Noonans as agent of the seller shall, at its absolute discretion and without prejudice to any other rights it may have, be entitled to exercise one or

more of the following rights and remedies:

- (a) to proceed against the buyer for damages for breach of contract.
- (b) to rescind the sale of that or any other lots sold to the defaulting buyer at the same or any other auction.
- (c) to re-sell the lot or cause it to be re-sold by public auction or private sale and the defaulting buyer shall pay to Noonans any resulting deficiency in the 'total amount due' (after deduction of any part payment and addition of re-sale costs) and any surplus shall belong to the seller.
- (d) to remove, store and insure the lot at the expense of the defaulting buyer and, in the case of storage, either at Noonans' premises or elsewhere.
- (e) to charge interest at a rate not exceeding 2 percent per month on the 'total amount due' to the extent it remains unpaid for more than 5 working days after the day of the auction.
- (f) to retain that or any other lot sold to the same buyer at the sale or any other auction and release it only after payment of the 'total amount due'.
- (g) to reject or ignore any bids made by or on behalf of the defaulting buyer at any future auctions or obtaining a deposit before accepting any bids in future.
- (h) to apply any proceeds of sale then due or at any time thereafter becoming due to the defaulting buyer towards settlement of the 'total amount due' and to exercise a lien on any property of the defaulting buyer which is in Noonans' possession for any purpose.

13 Liability of Noonans and sellers

(a) Goods auctioned are usually of some age. All goods are sold with all faults and imperfections and errors of description. Illustrations in catalogues are for identification only. Buyers should satisfy themselves prior to the sale as to the condition of each lot and should exercise and rely on their own judgement as to whether the lot accords with its description. Subject to the obligations accepted by Noonans under this Condition, none of the seller, Noonans, its servants or agents is responsible for errors of descriptions or for the genuineness or authenticity of any lot. No warranty whatever is given by Noonans, its servants or agents, or any seller to any buyer in respect of any lot and any express or implied conditions or warranties are hereby excluded.

(b) Any lot which proves to be a 'deliberate forgery' may be returned by the buyer to Noonans within 15 days of the date of the auction in the same condition in which it was at the time of the auction, accompanied by a statement of defects, the number of the lot, and the date of the auction at which it was purchased. If Noonans is satisfied that the item is a 'deliberate forgery' and that the buyer has and is able to transfer a good and marketable title to the lot free from any third party claims, the sale will be set aside and any amount paid in respect of the lot will be refunded, provided that the buyer shall have no rights under this Condition if:

- (i) the description in the catalogue at the date of the sale was in accordance with the then generally accepted opinion of scholars and experts or fairly indicated that there was a conflict of such opinion; or
- (ii) the only method of establishing at the date of publication of the catalogue that the lot was a

'deliberate forgery' was by means of scientific processes not generally accepted for use until after publication of the catalogue or a process which was unreasonably expensive or impractical.

(c) A buyer's claim under this Condition shall be limited to any amount paid in respect of the lot and shall not extend to any loss or damage suffered or expense incurred by him or her.

(d) The benefit of the Condition shall not be assignable and shall rest solely and exclusively in the buyer who, for the purpose of this condition, shall be and only be the person to whom the original invoice is made out by Noonans in respect of the lot sold.

CONDITIONS MAINLY CONCERNING SELLERS AND CONSIGNORS

14 Warranty of title and availability

The seller warrants to Noonans and to the buyer that he or she is the true owner of the property or is properly authorised to sell the property by the true owner and is able to transfer good and marketable title to the property free from any third party claims. The seller will indemnify Noonans, its servants and agents and the buyer against any loss or damage suffered by either in consequence of any breach on the part of the seller.

15 Reserves

The seller shall be entitled to place, prior to the first day of the auction, a reserve at or below the low estimate on any lot provided that the low estimate is more than £100. Such reserve being the minimum 'hammer price' at which that lot may be treated as sold. A reserve once placed by the seller shall not be changed without the consent of Noonans. Noonans may at their option sell at a 'hammer price' below the reserve but in any such cases the sale proceeds to which the seller is entitled shall be the same as they would have been had the sale been at the reserve. Where a reserve has been placed, only the auctioneer may bid on behalf of the seller.

16 Authority to deduct commission and expenses

The seller authorises Noonans to deduct commission at the 'stated rate' and 'expenses' from the 'hammer price' and acknowledges Noonans' right to retain the premium payable by the buyer.

17 Rescission of sale

If before Noonans remit the 'sale proceeds' to the seller, the buyer makes a claim to rescind the sale that is appropriate and Noonans is of the opinion that the claim is justified, Noonans is authorised to rescind the sale and refund to the buyer any amount paid to Noonans in respect of the lot.

18 Payment of sale proceeds

Noonans shall remit the 'sale proceeds' to the seller 35 days after the auction, but if by that date Noonans has not received the 'total amount due' from the buyer then Noonans will remit the sale proceeds within five working days after the date on which the 'total amount due' is received from the buyer. If credit terms have been agreed between Noonans and the buyer, Noonans shall remit to the seller the sale proceeds 35 days after the auction unless otherwise agreed by the seller.

19 If the buyer fails to pay to Noonans the 'total amount due' within 35 days after the auction, Noonans will endeavour to notify the seller and take the seller's instructions as to the appropriate course of action and, so far as in Noonans' opinion is practicable, will assist the seller to recover the

'total amount due' from the buyer. If circumstances do not permit Noonans to take instructions from the seller, the seller authorises Noonans at the seller's expense to agree special terms for payment of the 'total amount due', to remove, store and insure the lot sold, to settle claims made by or against the buyer on such terms as Noonans shall in its absolute discretion think fit, to take such steps as are necessary to collect monies due by the buyer to the seller and if necessary to rescind the sale and refund money to the buyer if appropriate.

20 If, notwithstanding that, the buyer fails to pay to Noonans the 'total amount due' within 35 days after the auction and Noonans remits the 'sale proceeds' to the seller, the ownership of the lot shall pass to Noonans.

21 Charges for withdrawn lots

Where a seller cancels instructions for sale, Noonans reserve the right to charge a fee of 15% of Noonans' then latest middle estimate of the auction price of the property withdrawn, together with Value Added Tax thereon if the seller is resident in the UK, and 'expenses' incurred in relation to the property.

22 Rights to photographs and illustrations

The seller gives Noonans full and absolute right to photograph and illustrate any lot placed in its hands for sale and to use such photographs and illustrations and any photographs and illustrations provided by the seller at any time at its absolute discretion (whether or not in connection with the auction).

23 Unsold lots

Where any lot fails to sell, Noonans shall notify the seller accordingly. The seller shall make arrangements either to re-offer the lot for sale or to collect the lot.

24 Noonans reserve the right to charge commission up to one-half of the 'stated rates' calculated on the 'bought-in price' and in addition 'expenses' in respect of any unsold lots.

(b) Noonans declares itself to be a trustee for its relevant servants and agents of the benefit of every indemnity under these Conditions to the extent that such indemnity is expressed to be for the benefit of its servants and agents.

31 Any notice by Noonans to a seller, consignor, prospective bidder or buyer may be given by first class mail, airmail or email and if so given shall be deemed to have been duly received by the addressee within 48 hours.

32 These Conditions shall be governed by and construed in accordance with English law. All transactions to which these Conditions apply and all matters connected therewith shall also be governed by English law. Noonans hereby submits to the exclusive jurisdiction of the English courts and all other parties concerned hereby submit to the non-exclusive jurisdiction of the English courts.

33 In these Conditions:

(b) 'hammer price' means the price at which a lot is knocked down by the auctioneer to the buyer;

(c) 'total amount due' means the 'hammer price' in respect of the lot sold together with any premium, Value Added Tax chargeable and additional charges and expenses due from a defaulting buyer in pounds sterling;

(d) 'deliberate forgery' means an imitation made with the intention of deceiving as to authorship, origin, date, age, period, culture or source which is not shown to be such in the description in the catalogue and which at the date of the sale had a value materially less than it would have had if it had been in accordance with that description;

(e) 'sale proceeds' means the net amount due to the seller being the 'hammer price' of the lot sold less commission at the 'stated rates' and 'expenses' and any other amounts due to Noonans by the seller in whatever capacity and howsoever arising;

(f) 'stated rate' means Noonans' published rates of commission for the time and any Value Added Tax thereon;

(g) 'expenses' in relation to the sale of any lot means Noonans charges and expenses for insurance, illustrations, special advertising, certification, remedials, packing and freight of that lot and any Value Added Tax thereon;

(h) 'bought-in price' means 5 per cent more than the highest bid received below the reserve.

34 Vendors' commission of sales

A commission of 15% is payable by the vendor on the hammer price on lots sold.

Insurance is charged at 1.5% of the hammer price.

35 VAT

Commission, illustrations, insurance and expenses are subject to VAT if the seller is resident in the UK.
